

COLLANA "LE STORIE SOCIALI"

VISITA DAL PEDIATRA

*Quello che stai sfogliando è un libro modificato,
ossia un libro illustrato con testo integralmente scritto in simboli,
pensato per essere ascoltato mentre l'altro legge ad alta voce,
indicando i simboli al bambino nel corso della lettura.*

*Questi sono libri fatti "su misura", a partire da libri per l'infanzia,
sono pensati per bambini molto piccoli o con difficoltà motorie,
di pensiero o di comunicazione.
Infatti questi bambini rischiano di non poter attingere
in modo adeguato all'esperienza della lettura
se non si mettono in campo alcune attenzioni e modifiche.*

*Costruire libri su misura,
pensati per le reali possibilità di quel bambino,
permette di vivere con vera partecipazione il momento della lettura.*

*Le caratteristiche delle storie e la presenza dei simboli favoriscono
una maggiore comprensione del racconto, rendendo questi libri
risorsa per tutti i bambini,
non solo di quelli con disabilità della comunicazione.*

"Quando rimangono solo le parole, nessuna parola è di troppo."
